

Product Information Sheet

Precision FX with Built-in Nunchuk™

CALL OF DUTY
WORLD AT WAR

Platform

Nintendo Wii

Product Description

Our Precision FX is the ideal companion to games like Resident Evil 4™ and Chicken Shoot™. It's easy to use - just slot in the Wiimote to give you full access to all available controls including the 'B' button, which is activated by the pistol's trigger, combined with a built-in joystick and Nunchuk™ buttons for those games requiring both Wiimote™ and Nunchuk™. If lightgun-style gaming is your thing, you should never be without one! It feels comfortable in the hand, and is sturdy enough to take the knocks in the heat of play.

Features

- Sturdy yet lightweight
- At last your Wiimote™ feels like a gun
- Comfortable, ergonomic design
- Allows access to all Wiimote's™ controls
- Built-in Nunchuk™ controls
- All Nunchuk buttons supported including the 'Rapid Reload' button.
