

# Product Information Sheet

## Trash Talk

### Platform

XBOX360™

### Product Description

Trash Talk™ fits between your XBOX 360™ controller and headset. Now you can choose from 16 sound clips ready to trash your opponent.

Trash Talk™ has 4 sound banks with 4 clips in each bank. That's 16 sounds to taunt your opponent.

Because Trash Talk™ clips are transferred directly from your PC you can download and use sounds from almost anywhere - movies, TV, ad's, MP3, ringtones, games & more!

Sound clips can be any length from 1 second up to a minute - The length is fixed automatically.

USB cable supplied - Means storing new sounds couldn't be simpler

High quality Arm™ processor with 20khz sampling means Trash Talk™ delivers crystal clear sounds to your opponent.

Unique feedback feature means you also hear the clips in your headset for maximum effect!
